WHOLE FAMILY DEPENDENT

Mr. E. Williams, Hamilton, Ohio, writes: "Our whole family depend on Pine Tar Honey." Maybe someone in your family has a severe Cold—perhaps it is the baby. The original Dr. Bell's Pine-Tar-Honey is an ever ready household remedy—it gives immediate relief. Pine Tar-Honey penetrates the linings of the Throat and Lungs, destroys the Germs, and allows Nature to act. At your Druggist, 25c.

SPEEDWELL.

A terrific hail storm came through Speedwell Sunday evening, doing much damage to growing crops, especially wheat. A great deal of wheat was straw-broken, which renders that worthless.

The stock law election in Cullowhee on June 8th, is receiving some attention at present. It seems to be a question as to whether we will vote it in and avoid all taxation in connection with it; or whether we will vote it out and then be compelled to fence our township against other townships and other counties. This is a question for the people to decide for themselves. X. Y. Z.

INSURANCE LIGHTENS THE LOAD.

One could easily bear to be poor, and could bear to take his wife and children down with him in poverty, so long as he could be with them to help carry the load, and carry the largest part of it himself; but to go off to his eternal rest, and to leave them to go down into poverty and to fight the wolf from the door—what prospect more terrible than this to look forward to?—Lyman Abbott.

The chief of the St. Louis detective force puts out this chunk of wisdom: "I am frequently asked what is the type of man who goes wrong. The answer is that there is no particular type. There is a clear type of man who never is in trouble however. This is the man who lives within his means, who saves a part of his earnings each day and week and year. It does not matter much just so he lives within his income and saves.

As soon as gardens have been plowed and the chickens have been permitted to feast on angle and rub worms the fowls are penned up with an occasional exception, which is a detriment to neighboring gardens. Let us all be careful and pen our chickens up during garden time, which produces a good neighborly feeling around and sweetens our dispositions.
